

I am pleased to present the 2009 Annual Report for the Toccoa Police Department. This report contains a wealth of information regarding the operation of your Police Department over the past year. I also hope this report offers you the opportunity to familiarize yourself with the department and our great employees. I encourage you to completely review the report and please feel free to contact me personally regarding any of the information contained in the report or to offer any comments about the operation of your Police Department.

I am extremely proud of the achievements of the Police Department in 2009. Despite a downturn in the economy, we made great strides in areas such as training, retention, public relations programs and services, much needed equipment acquired, and a reduction in crime. Our Officers are dedicated to making Toccoa a better community to visit, work, live, and raise our children.

It is an honor to serve as your Police Chief and I as well as every member of the Toccoa Police Department sincerely appreciate the continued support we receive from our community.

Jackie Whitmire
Police Chief
